

## Secondary Campus Parking and Traffic Flow

1. Be a courteous driver, and obey all traffic signs at all times!
2. The long secondary roadway will have a speed limit of 15 mph. This is a two lane road with a dividing line between lanes for two-way traffic.
3. The circle driveway for drop off and pick up is one way only as marked but with two parallel lanes separated by a line: the "dropoff & pickup lane" to the outside along the sidewalk, and the "passing lane" to the inside of the circle also separated by a painted line. Please follow instructions below for drop off and pick up. The speed limit in this zone will be 10 mph.
4. Drop Off and Pick Up:
  - a. At both drop off and pick up, please pull all the way forward to the end of the sidewalk where you see the "Pull up to Here" sign. Students will wait on the porch/sidewalk until their pickup vehicle has reached the sidewalk area in the pickup lane. Students will not cross the traffic circle to get into their pickup vehicle.
  - b. Parents also have the option to simply park in the parking lot and wait for their student to exit the side door. Especially if your student is habitually late coming out of the building, this would be the best option for you.
  - c. Pickup vehicles that are waiting in the pickup lane for a long time for students that fail to appear are asked to join the end of the line (go around the circle again) or to park in the parking lot.
  - d. Of course we want the circle driveway to be convenient for our families, but we believe the safety of our students and an orderly environment are the highest priority. Use of the circle driveway is a privilege that can be revoked if a driver or a student exhibits unsafe behavior at pickup or dropoff.
  - e. Student drivers will park in a designated area in the parking lot and walk into the building using the connected sidewalk.
  - f. Students arriving to the secondary campus prior to 7:55 will remain in the designated before care room.
  - g. Student athletes walking to the elementary campus gym or field must be accompanied by an adult staff member.
